

Family Worship Jesse's Tree

Jesse's Tree is an exciting way to discover the story of God's salvation plan, beginning with the creation and continuing through to the coming of the Messiah. It provides easy to follow reflections and a Bible reading for each day of Advent with prayers, to share together as a whole family.

As a church we will follow this programme at home together.

It's a great way to discover more about God, bringing the whole family together in a time that is manageable for all.
